What will happen next?

1. We will acknowledge receipt of your complaint within three days of receiving it, enclosing a copy of this procedure. Acknowledgement will be via writing usually via email.
2. We will then investigate your complaint. The complaint will be reviewed, all possible evidence gathered and where appropriate we will speak to the member of staff who acted for you.
3. If required, we will then invite you to a meeting to discuss and hopefully resolve your complaint. This will be within 14 days of sending you the acknowledgement letter unless serious circumstances dictate otherwise.
4. Within three days of the meeting, we will write to you to confirm what took place and any solutions agreed with you.
5. If you do not want a meeting or it is not possible, we will send you a detailed written reply to your complaint, including suggestions for resolving the matter, within 21 days of sending you the acknowledgement letter.

6. At this stage, if you are still not satisfied, you should contact us again and we will arrange for the Director or someone unconnected with the matter at paulhose.com to review the decision.
7. We will write to you within 14 days of receiving your request for a review, confirming our final position on your complaint and explaining our reasons.
8. If you are still not satisfied, and the matter concerns any external examining body, then you may request those details and full complaint and appeals procedures for the relevant company which will be supplied within 3 working days. In such cases, the external examining bodies' procedures will take primacy and their decisions will be final unless otherwise stated. Please note in such circumstances, there may be a fee charged by each external body which will be highlighted and explained upon each complaint and appeals procedure request.
